EXCLUSIVE!

Desperate Scousewife, in her undies!

It's Amanda Harrington, as nature intended!

➔ **DESPERATE SCOUSEWIVES** has burst into our lives like a big-haired, cocktail-tossing, captions-requiring whirlwind! And the standout Liver lady is clearly bubbly blonde and self-proclaimed local celeb Amanda Harrington.

As is often the way, it turns out that Amanda has done the odd spot of topless modelling in the past. So we've bought our picture researcher a beer (just one, let's not get carried away) for the spot and cleared a couple of pages in *Nuts*. Everyone's a winner – especially you, dear reader!

● *Desperate Scousewives* is on E4, Mondays at 10pm.

WORDS: RORY BUCKERIDGE PHOTOS: CELEBRITYPICTURES.CO.UK

STAR COLUMNIST

Amanda writes a weekly column for the *Liverpool Echo* newspaper!

Could she fit her entire
body through her
necklace? Just maybe...

Clarkson's Sweeney cameo!

Top Gear links up with tough cop flick!

➔ WE WERE already medium-to-high excited about new flick *The Sweeney*, currently being filmed. An undercover police "flying squad" consisting of Ray Winstone and Plan B was always going to be a masterclass in stubbly intimidation, but even better, we've now found out that *Top Gear* have done the car stunts!

Jeremy Clarkson confirmed as much in his newspaper column last week, saying what jolly fun they'd had smashing up brand-new Jaguars, and the coppers' motor of choice – next year's Ford Focus ST.

Also, when the movie drops next September, it may even feature a Clarkson cameo, as the big man was lurking during filming while Winstone and B stormed a Jag, guns drawn. Screaming, "Bet in play – now!" presumably.

WORDS: RORY BUCKERIDGE PHOTOS: FLYNETPICTURES.CO.UK

CLASSIC COP SHOW!

The original '70s TV series starred John Thaw & Dennis Waterman with great hairstyles and knitwear.

"Son, this is not the time to be stealth-bumming me!"

Iconic new cop car!

Ford have done a product placement deal with *The Sweeney's* producers to supply next year's 2.0-litre, 250PS Focus ST hot hatch as a company car for cops Reagan and Carter. Ford supplied six pre-production prototypes, making the stars the first people to drive it. The car in the original '70s TV series was a Ford Granada.

Blackburn's fans were giddy with pre-match excitement

The hand transplant was coming along nicely

Gervais' next show!

Stars professional idiot Karl Pilkington!

➔ **ALSO OUT** on the streets last week were Ricky Gervais and Karl Pilkington, filming scenes for Gervais' next comedy show, *Derek*. The show's based on an old parked-up character of Ricky's called Derek Noakes.

He's a mentally challenged bloke who wants to forge a career as a stand-up. His

favourite things are football, Robbie Williams and Jesus. Not controversial at all, then.

Gervais' sidekick from *An Idiot Abroad*, Karl Pilkington, also shows up as the bus driver for the Broad Hill Nursing Home, looking every bit as simple as Ricky. Clearly he's not going after Stephen Fry's *QI* demographic!

"Twenty quid, then, and no kissing. Deal?"

EXCLUSIVE!

Khan: 'This fight is going to be a war!'

The British boxing champ on fighting the best, facing Mayweather and inviting US President Barack Obama!

➔ **Hi Amir! Are you excited about your upcoming Super- Lightweight unification fight against Lamont Peterson?**
I'm really looking forward to it. I've had a nice break where I've just been chilling out with my family and stuff like that, so I'm ready to get back in the ring again now.

This is your third fight of the year. Isn't that regarded as quite a lot these days?

I felt good in my last fight [against Zab Judah]. I was pretty sharp and didn't get hurt or anything. I think three fights a year is a good number for me. I'm back working with [strength and conditioning coach] Alex Ariza for this fight, and [trainer] Freddie Roach. And we started training really early for this fight. Freddie actually cut Manny Pacquiao's training camp in the Philippines to train me, so we should be fine.

What's it like having Manny Pacquiao in the gym with you while you train?

Training with Manny's great. I'm sure he can give me some tips as he's one of the best fighters in the world. He's helped me a lot with sparring and stuff. Sparring with him is like an actual fight – we don't take things easy! I use different sparring partners as well, though – we train for facing different styles as Peterson can change his style.

What do you make of your challenger, Lamont Peterson?

I remember watching Lamont fight Victor Ortiz, who had that fight with Mayweather, and he got a draw against him. Although some people thought Lamont won it, so that should make this an exciting fight. Plus, we've both been in the situation where we've been knocked down and come back from it. He's actually very similar to me – he's got a big heart and always shows lots of

determination. I didn't take the Breidis Prescott fight seriously, so I'll never make that mistake again – we've been preparing for this fight properly.

What sort of fight do you expect this to be then?

I see this being very technical. Freddy has a gameplan worked out so I'll have to stick to mine to get through this fight. I'm defending my titles that I worked so hard for, so I don't want to lose them!

Lamont's the mandatory challenger. Is it harder to prepare for a fight you have to have rather than one you want?

No, because I know Lamont will have been training hard for this fight. I remember when I was trying to get a world title, I'd train twice as hard. But I'm ready to fight the best fighters in this division before I move up to 147lbs [welterweight]. I'm not looking too far ahead. I'm focused on this fight and that's the only thing on my mind right now. It's one fight at a time.

The fight's taking place in his hometown of Washington DC. Does that bother you?

I'm not worried about it. I've always fought away from home. I beat Marcos Maidana in Las Vegas and Paulie Malignaggi was in New York, which is his hometown. The Zab Judah fight was in Las Vegas so I'm used to it. He's going to be the main attraction over in Washington, but I want

to win the fans over because I want to have fans all over the globe.

What's your prediction?

I never go into a fight thinking I'm going to knock anyone out. I always train for the distance. I don't really make predictions before fights, either. I know this will be a war, because he likes to just stand there and throw punches!

Will you do that as well then?

I trust what Freddie Roach says. He'll tell me what to do to win. If he tells me to fight inside his jab then that's what we'll do, but if I can stand on the outside and not get hit there's not much point in getting up close and trading shots.

Is it true you've invited President Obama to watch?

Yeah! I'll think he'll be interested as it's been 20 years since they last had a big fight in Washington.

Thanks, Amir! Finally, when will you get round to fighting Floyd Mayweather Jr?

I think I've got the style to beat Floyd Mayweather, but not just yet. I'll have a few more fights and then maybe this time next year. It'll be a big fight that can happen.

● **Amir Khan vs Lamont Peterson will be shown live on Sky Sports 1 on Sunday 11 December from 2am.**

His glove puppet needed some work

KHAN IN CONTROL!

Since making his pro debut in 2005, Amir has won 26 of his 27 fights, beating five world champs!

"Is this too jazzy
for a first date?"

And the opponent, Lamont Peterson!

Hi Lamont! Are you looking forward to the fight against Amir Khan?

Yeah, I'm glad to be fighting for a world title again. I know Amir will be training hard, as am I, so it should be a great fight.

What do you think about the fight being in Washington DC?

I appreciate the fact that Amir's coming to my backyard to fight. A lot of world champions don't do that, so he deserves a lot of credit.

Does it put pressure on you to win?

There's no added pressure, just added motivation. It fuels me, fighting in front of my fans. He's coming to my hometown so I'm going to be defending my home turf. I'm not going to lose.

How will you beat him?

Well, if Amir tries to fight me on the inside, I'll win. I can change my style to win this fight. I can train with a whole new style I've not fought with before. We'll keep it nice and simple, deal with his speed and win the fight.

**"I can beat
Mayweather –
we could meet
next year!"**

"Typical! Day of the big photo shoot and I get a huge spot!"

Wright-Phillips had fallen between the seats again

"So, one of these is an egg-timer, right?"

Gorgeous retro Porsche!

Yanks take old 911s and spruce them up!

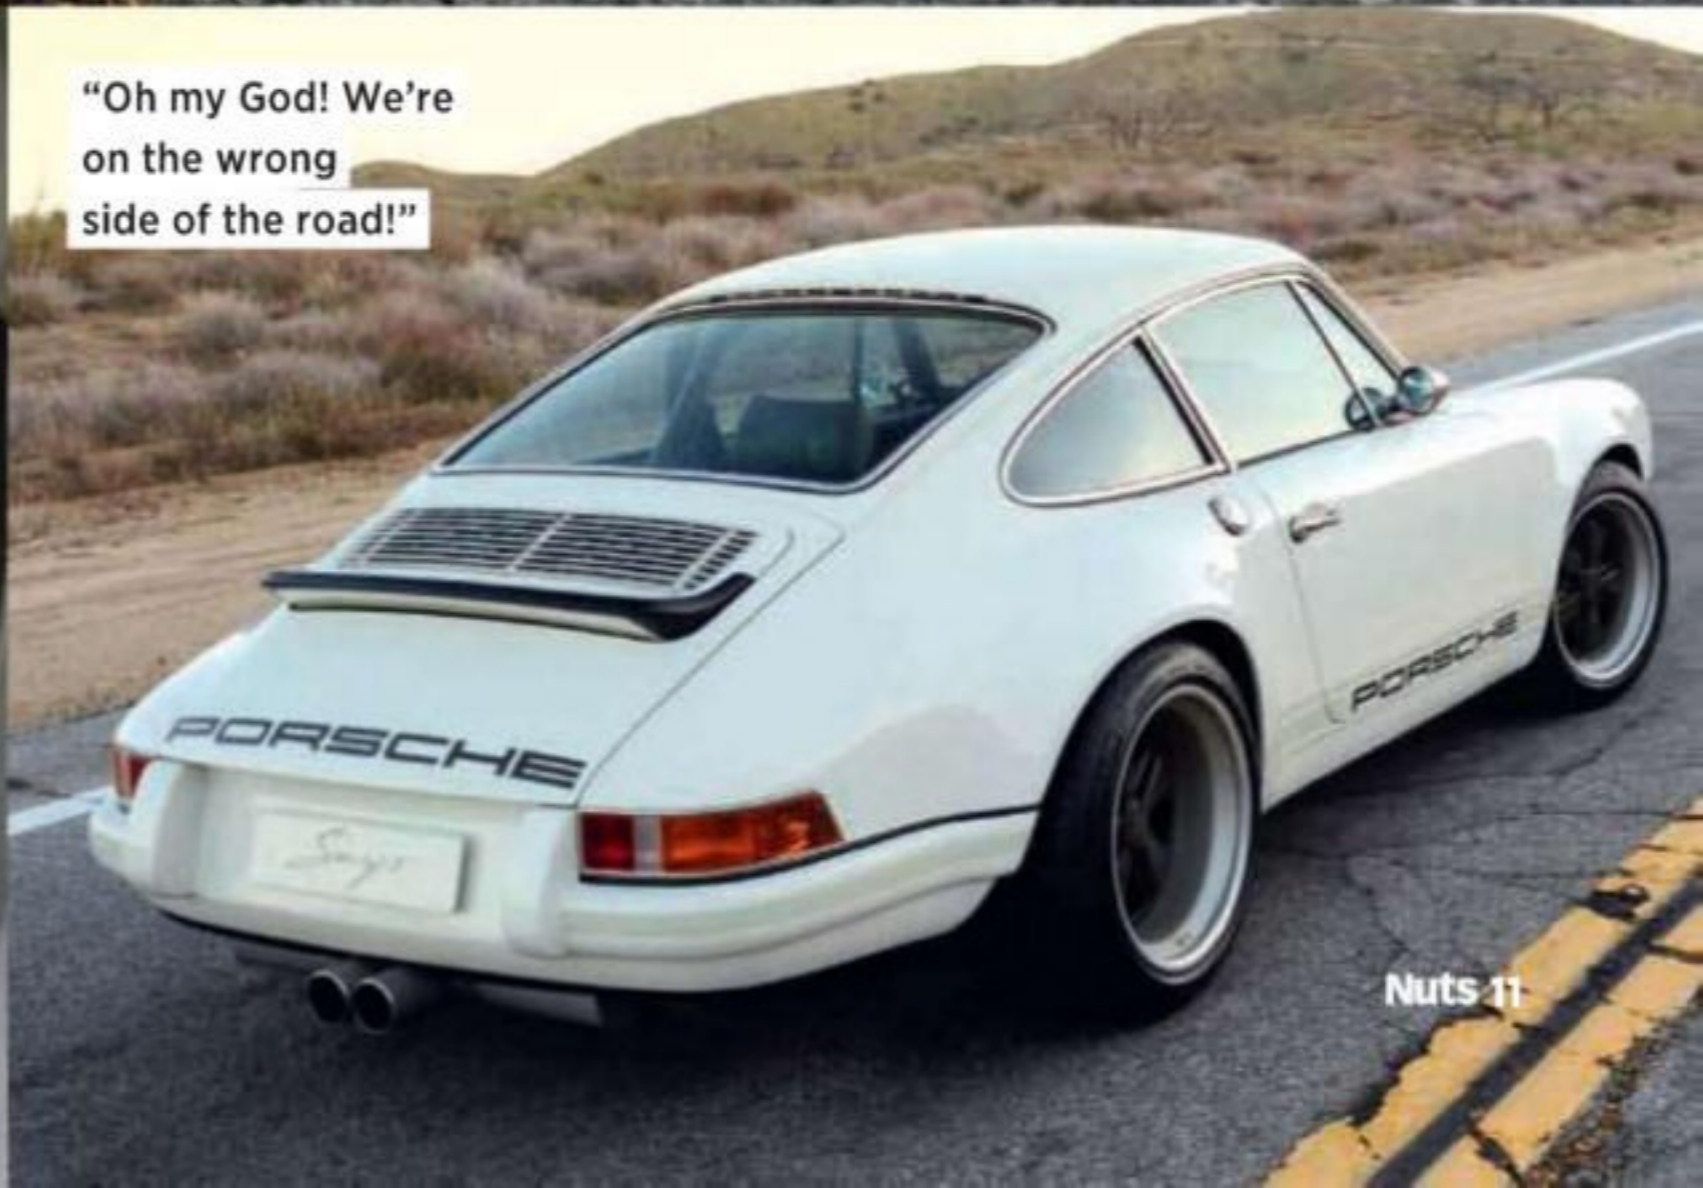

- **An old Porsche rebuilt with brand-new everything and more expensive than a brand-new Porsche. Oh, and you have to supply the car. Confused? Don't be!**
- You'd be forgiven for thinking this is the new 911 – after all, Porsche has never gone back to the drawing board with its 1963 icon.
- **But earlier models are considered better than later versions, which is why Singer is revamping newer 911s to look like old ones. This started life as an early '90s car but has been rebuilt to make it look like it's from the '60s or '70s.**
- To order a Singer Porsche, you have to first go to their place with a 911 made between 1990 and 1994. They strip it down to a metal shell and start all over again.
- **The whole chassis is braced and seam-welded to make it stiffer, while the bonnet, engine lid, bumpers, wings and roof are then replaced with custom carbon-fibre panels. There are even special holes in the front bumper to channel cooling air to the front brakes.**
- The three-piece rims may look like the real '60s deal, but these are replicas made in a larger, 17in size, wrapped in sticky-compound Michelin Pilot Sport tyres.
- **And under the rear spoiler, Singer has got Cosworth to prepare the three flavours of tune, which vary from a 300bhp 3.6-litre and 380bhp 3.9-litre to a 4.0-litre with 425bhp.**
- If the horsepower doesn't sound mammoth, remember the Singer 911's weight is just over a tonne. So that explains the subtle chin spoiler and rear ducktail – to stop it turning into a retro German aeroplane.
- **The interior looks retro too, but there are tech touches – the classic '70s speedo has been modified to max out at 180mph, the steering wheel is from a 1973 RSR model and the seats mimic ones from the '60s but with fully electric adjustment.**
- So, in conclusion, this is a 0-62mph in 3.9 seconds, 425bhp, 170mph+ Porsche that's the best-looking thing on the road and yours for around £130k to £195k.

KEN JEONG

Bradley Cooper, Ed Helms & Ken Jeong

The Hangover Part II stars on monkeys, getting drunk and guides to Bangkok ladyboys!

Hi chaps! How much fun is it playing these characters?

Ed: A lot. It should be illegal because it's an insane amount of fun. I think these characters are various parts of our personalities that we either like to make fun of or bring out in some way.

Bradley: I didn't realise how much I missed playing Phil. The first couple of days back, I realised how much I love playing that character and then playing it off these guys. It was so gratifying to be able to call Ed "Stu" again, ha-ha! It just feels so right to say "Stu".

Ed: He forgot my name!

Bradley: I always do, ha-ha!

The director sets the tone on a movie. What's the atmosphere like on a Todd Phillips set?

Bradley: It's a very unique set, one where you'd better show up prepared, open and confident, otherwise you'll get eaten up in about two seconds.

Ken: In other words, bring your "A" game because he expects the best out of us. You have to deliver your best performance and be in the best mind-set.

It's one thing to write a script set in Bangkok, but it's another thing altogether to actually film there. What was it like?

Bradley: It was an essential part of the movie's success, the same as it was with Vegas

in the first film. And the difference was, with the first movie, we shot two months in Vegas, a month in LA. With this movie we shot a month in LA and two-and-a-half months in Bangkok. I remember when we were shooting in LA, I felt a little bit of trepidation, thinking I don't feel that sort of "high octane, I don't know if I can make it" feeling that I had in the first one. And then we landed in Bangkok and I was like, "OK, now we have that feeling!"

Ed: It's chaos – it's an insane, steamy, tropical metropolis with millions of people and you feel that. And we all feel that just being there and

I think it's why our characters look as frazzled as they are, because that's how we felt.

Todd says that Ken's character Mr Chow does a video guide to Bangkok which will feature on the DVD. Tell us about that.

Bradley: I want to see that!

Ken: Yes, it's Mr Chow and he guides the home viewer through Bangkok. He says [does Mr Chow voice], "This is where you meet the girls, this is where you meet the ladyboys." It was fun to do.

And what about Crystal the monkey? A star is born!

Bradley: Ha-ha! Incredible, right? One of my favourite

"A James Blunt
marathon? Change
channels – quick!"

BRADLEY COOPER

sequences is the day in the life of Crystal the drug mule. She was incredible. And there weren't many women on the set at all and women always provide a wonderful energy. I remember shooting *The A-Team* and every time Jessica Biel came over, it was like, "Thank God, it's a woman!" And honestly, Crystal did that. It was like every time she came on it was like, "Thank God, it's Crystal!" Ha-ha!

Did it feel different this time with all the expectations for *The Hangover Part II*?

Ed: Obviously, as Todd said, the first movie was under the radar – nobody knew what it

was and we didn't know how it would perform. We were just excited about it and excited to get the word out. But we weren't getting the same kind of exposure. This was like we're walking into a spotlight and saying, "Hey, guys, we're all really excited about this one, too," as opposed to just trying to beat the drum the first time. So there was a lot more attention and awareness this time and it was exciting.

***The Hangover* is about what happens after these characters drink too much. What are your own experiences of that?**

Ed: We all know what too much alcohol can do, and

"Come on, guys –
one of you has to
be the drummer!"

I think it can have some quite scary repercussions. But I've never done anything quite as insane as what happens in these movies, thank God, otherwise I'd probably be in jail by now or washed up on a beach somewhere. But I've definitely done some things I'm ashamed of.

Like what?

Ed: I've been told that I commandeered a luggage cart from a hotel lobby in Washington DC then drove it down a street – but I have no recollection of that!

THE NUTS Hero Of The Week award goes to this plucky traffic warden from Buckhurst Hill, Essex, and his righteous ticket-slapping on a £1million Bugatti Veyron.

The eagle-eyed, fine-administering ninja of the streets spotted that the owner of this 1,000bhp, 250mph hypercar had naughtily wedged his motor in a disabled space and

skilfully ticketed the selfish so-and-so. (Probably shouting, "Boom!" and doing a double-crotch-point-pelvic-thrust while he did it.)

NEW STATS came out last week revealing that UK chicks are the fattest in Europe, with 23.9 per cent of your nation's womenfolk considered obese, alongside 22 per cent of UK men. This is no big deal – they're not taking any hotties off the market, as fatties f**k each other. Anyway, you're only the fattest in Europe – you should do what I did and move to the States for a while. When I lived in Australia, I was fat. I moved to the UK and was normal, and now I spend most time in the States where they think I'm anorexic!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

Will she hate my tattoo?

I had a tattoo of my girlfriend's face done on my chest but when we split up, I had it turned into a disgustingly ugly alien! Problem is, we're now back together and I'm going to have to show her what I've done. How will she react?

GAV Livingstone

Why can't you change the tattoo back again? Or if this is impossible, you'll just have to tell her that it was done as an act of despair because you love her so much. Simple!

Is she just using me?

I'm chubby and bald, not a particularly handsome man, but I'm dating a really beautiful woman. My friends don't trust her and say she's using me for my money, but I like the buzz of people knowing she's with me.

ILLUSTRATION: BILL MCCONKEY

LETTER OF THE WEEK!

Should I make a sex tape?

All my mates have made sex tapes with their ladies and I'm getting loads of stick from them because I haven't done one myself. Do you think I should make one too? How do I ask my girlfriend if she's up for it?

H via email

I presume these tapes are shared with your male friends so they understandably feel you haven't paid your dues. You could tell her what your mates do and see what reaction she has. Ask her if she'd like to see some of the tapes. If you think she might be excited by the idea, you could start gently – ie, no pictures of her face!

Should I confront her about what they're saying?

MAC via email

Definitely not! Be realistic. If she's such a looker, you should expect to pay towards her lifestyle, especially since you're feeding your vanity by being

with her. The danger is that you fall for her but run out of cash, so budget a sustainable level of spending and bear in mind that she may get a better offer. If she does, then at least you'll still be solvent and will have some happy memories.

She's ruining my sheets!

My missus has started using food in the bedroom, covering me in squirty cream then licking it off. I'm a cleanliness freak, though, and can't enjoy the sex because all I think about is the mess! What should I do?

PAUL Bristol

Are you worried about the sheets? If so, do it in the bath instead. Or suggest other dishes – a banana stuck in your bottom might appeal to you. And you should return the favour to her. Two bananas in this case and maybe a cluster of cherries on her crotch.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p72.

"What about your latest bloke?" her friend asked.

Spend the night in a Latvian prison!

● **WHERE:** Liepaja, Latvia

COST: £15 per night

⚠ **EXTREME RATING:** 8/10

A noisy Travelodge on a Friday night is bad, but it's nothing compared to Karosta naval prison in Liepaja, Latvia. If sleeping on a concrete bed in a cell with a bucket for a toilet isn't enough, it's also haunted, with mysterious footsteps, inexplicably self-unscrewing lightbulbs and ghostly apparitions. Er, nighty-night!

Bungee-jump like James Bond!

● **WHERE:** Verzasca, Switzerland

COST: £170

⚠ **EXTREME RATING:** 9/10

Recreate that bit in *GoldenEye* where Bond bungees off the 220-metre high Contra Dam. Once you've leapt off, you'll be freefalling for 7.5 seconds at 70mph before the bungee rope snaps into action, flapping your cheeks back at a force of 2.5G. It'll leave you shaken *and* stirred. And probably projectile vomiting.

Swim with sharks!

● **WHERE:** South Africa

COST: £550

⚠ **EXTREME RATING:** 7/10

Diving with sharks isn't difficult. Get in a cage, strap on an air hose and get lowered like shark bait in a shopping trolley into the ocean. So, will you be eaten? Unlikely. Great white sharks are shy and slow. The sight of you in a cage is more likely to confuse them than get them salivating. Unless they're hungry!

Fire hardcore weapons!

● **WHERE:** Cambodia

COST: £100-250 per weapon

⚠ **EXTREME RATING:** 8/10

If you have a fat wallet, an itchy trigger finger and no moral compass, there are people in Cambodia who'll take you to a mountain firing range and let you play with everything from a Luger to an Uzi. For an extra £250, they'll let you fire a B-40 grenade launcher at water buffalos! And yes, apparently, they do explode.

Hunt wolves in the Arctic!

● **WHERE:** British Columbia, Canada

COST: £2,000

⚠ **EXTREME RATING:** 8/10

If *Twilight* has taught us anything, it's that wolves can't be trusted. Shooting one would be doing the world a favour. Canada has over 2,500 acres of wolf-hunting territory, but if you can't stomach shooting a doggy, other hunts range from black bear to caribou. Imagine killing an animal and not even knowing what it is!

Experience zero gravity!

● **WHERE:** Florida, USA

COST: £3,000

⚠ **EXTREME RATING:** 8/10

If you don't have £130,000 for a Virgin Galactic space flight, board the special zero-gravity plane from Kennedy Space Centre. The plane pulls ten "parabolic manoeuvres" per flight (basically, goes into a huge dive, which sends you floating up from your seat!), giving you two minutes of total weightlessness. Weee!

Train with Ukrainian special forces!

● **WHERE:** Ukraine

COST: £250 per person

⚠ **EXTREME RATING:** 7/10

The nearest us Brits usually get to firing a gun is playing *Call Of Duty*. But in Ukraine, you can get trained by Spetsnaz (special forces) to use weaponry ranging from an AK-47 to an RPG-22 grenade launcher. You'll be firing about 10,000 rounds in all! If your trigger finger is still itching after that lot, see a doctor.

Win £1,000

Win £1,000 towards a mad weekend away! What's the name of the monkey in *The Hangover Part II*? Answers by email to the address on page 72 by 31 December.*

Fly a Russian fighter jet!

● **WHERE:** Nizhny, Russia

COST: £15,000

⚠ **EXTREME RATING:** 9/10

This five-day package includes flights in the legendary MiG-29 or Russia's most-advanced high-altitude interceptor, the MiG-31 Foxhound, in which you'll break the sound barrier, reaching speeds over 1,500mph. Of course, you'll be doing all this from the passenger seat, but it beats a Sunday drive in the country, eh?

TOM FROM KASABIAN Vs the Nuts Question Bucket!

Sell:

Tom from Kasabian on aliens, pirates, Batman, cereals and why he loves his mum!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Would you rather have Shrek's head and a normal body or a normal head and the body of a Smurf?

That's pretty easy. Normal head and body of a Smurf. Smurfs look great. Who wants a big head? It'd be horrifying to be born like that. But some people ain't blessed. That's life.

Are you any good at DIY?

That's a definite no. I'm definitely not a domestic man. I hate places like Homebase and Ikea.

What would happen if Batman was bitten by a vampire?

He'd probably die. Vampires rip out your

neck, don't they? He wouldn't have a chance. One bite in the main artery and he'd die.

If you had £1 for every girl you've kissed, how much would you have?

A billion pounds. I kiss my missus on the lips all the time. I kissed you when you came in. So I'd have a billion and one pounds now. Ha!

Does your mum think you should get a proper job?

No. My mum's the best mum in the world. She's the most supportive woman I've ever met. She believed in my band when I was a baby. I love you, mam!

What's the biggest lie you've ever told?

I'm lying right now. I wake up and lie every day. It's part of what I do. You've got to.

What's the best way to change a duvet cover?

When it comes to making beds and putting sleeves on pillows, I get it wrong every time. Just buy a new one, I suppose.

Which came first, the chicken or the egg?

Egg. That's an old one.

Why don't McDonald's sell hot dogs?

They did in the late '90s. Our keyboardist bought them. Hot dogs have their own place. They don't need McDonald's.

What's your favourite service station?

The one before Silverstone is nice. [Cherwell Valley on the M40 - Motorways Ed]. It's not full of kids and OAP coaches. And they've got grab machines as well.

Would you rather have no elbows or no knees?

That's a horrifying question. I can't answer it!

If a UFO landed in your back garden and some aliens invited you on board, would you go?

I'd get on ET's spaceship any day. I love ET. I'd like

to look at his plants. You know he's a botanist?

If life is a glass, is yours half-full or half-empty?

Half full. You've got to be kidding me!

Would you be able to drop everything right now if a job came up as a pirate?

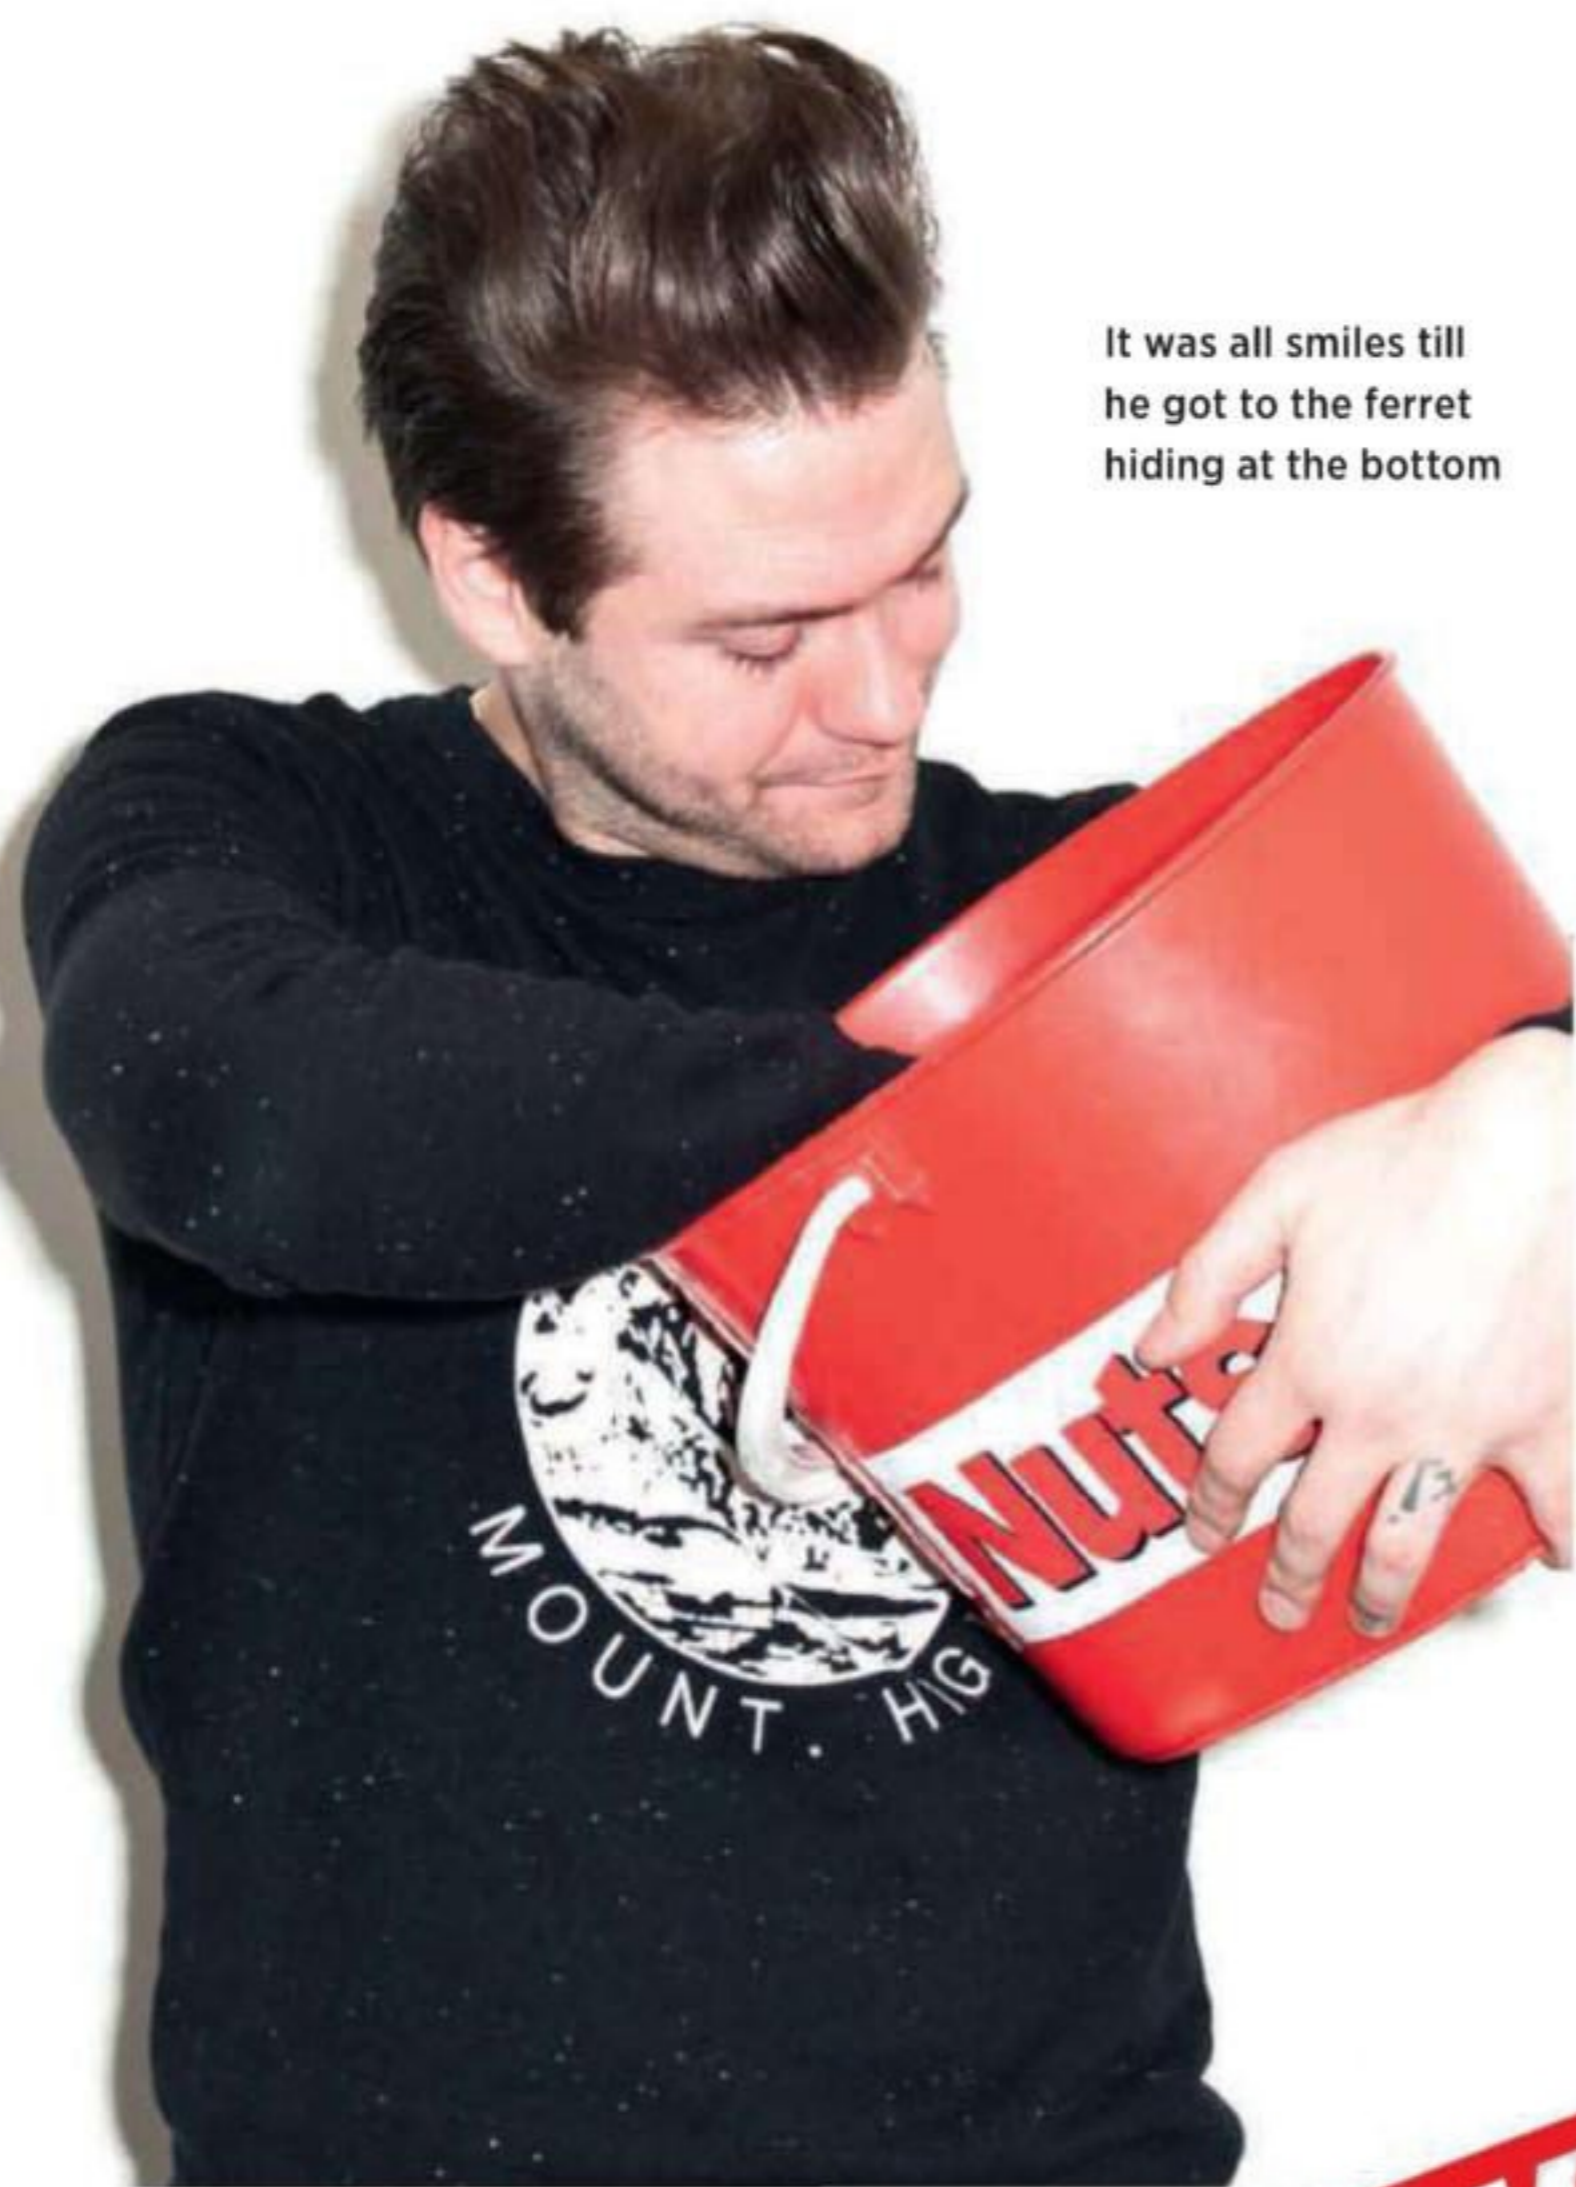

No. I don't like the sea. I don't like the waves. I don't know why people go in the sea apart from scientists and surfers. Pirates are weird. They're just sea-tramps really, ain't they?

Who'd be easier to beat in a fight: Tony The Tiger or the Coco Pops monkey?

Both great cereals. Sugar Puffs are horrible. I don't know how the f**k anyone can eat Shredded Wheat! Shreddies are horrible too. Weetabix is alright. I don't know who'd be easier to beat in a fight. Tony The Tiger's pretty simple. But the Coco Pops monkey's always bouncing around. Calm down!

SEXY TV STARS!

BILLIE FAIERS PRESENTS...

TV stars in pants & bras!

The sexy stars who've brightened up our box this year!

SEXY TV STARS!

“We have the sexiest girls and the funniest characters”

Hi Billie! Welcome back to *Nuts*! How did you enjoy the shoot? Hello again! It was really good.

I always have fun on a *Nuts* shoot – they’re always quirky.

Well, 2011 have been quite a year for you, hasn’t it?

Yes, there have been loads of highlights, but I can’t believe that we [the *Essex* cast] have done a Christmas single!

Do you think *Essex* is the best programme on the box?

Definitely, and the storylines are just going to get better and better, with more characters. Hopefully, it’ll keep going for another couple of years.

What do you make of new rival show *Desperate Scousewives*?

Hopefully, I’ll get into it but it wasn’t at all what I expected. It wasn’t all that glamorous.

We read the *Scousewives* were accusing *Essex* of being boring!

I heard that as well. I think the only reason they’re saying that is to get a bit of press.

Did you watch *I’m A Celebrity*?

Yes, and I loved it. Mark did really well. He’s definitely King of the *Essex* Jungle!

What do you make of him and Emily Scott getting all steamy?

It’s all just a bit of fun. If she wants to come to *Essex*, we’ll make her feel welcome.

Who is your number one telly babe of the year?

That would be Sam, my sister!

And who’s been the villain of the year, in your opinion?

Joey Barton. He seems to have taken a bit of an exception to us. I actually think he’s quite funny. I follow him on Twitter!

Thanks for the chat, Billie!

Finally, what does a guy have to do to impress an *Essex* girl?

He’s got to be generous, have good teeth, good shoes, and most importantly, smell nice!

Billie Faiers

FAMOUS FOR: Featuring in a little-known documentary series called *Made In Essex* or something... Jokes!

BEST TV MOMENT: We'll loved it when she hosted a Halloween party dressed as a sexy fairy. That was a real treat!

WHY WE LOVE HER: She's smokin' hot and a lot of fun – and no stranger to the odd cheeky prank on *Nuts* shoots!

FACT! Billie reckons the *Essex* single (a cover of Wham's *Last Christmas*) will be Christmas number one! ▶

BILLIE ON TOWIE

SEXY TV STARS!

Amy Childs

FAMOUS FOR: As well as the vajazzle, feisty redhead Amy's famous for her turns on *The Only Way Is Essex* and *Big Brother*.

BEST TV MOMENT: Spiky-haired twerps Jedward gave Amy a wedgy on *Celebrity Big Brother* in the summer.

WHY WE LOVE HER: With new show *It's All About Amy* starting on Channel 5, this hottie's the new queen of reality TV!

FACT! Amy was once a member of the Essex County Table Tennis team. She can whack our balls with a paddle any day!

AMY ON TOWIE

Emily Scott

FAMOUS FOR: Appearing in the latest series of *I'm A Celebrity, Get Me Out Of Here*, although she's a reality TV veteran.

BEST TV MOMENT: It's a toss-up between her recent escapades and her appearance in Sky One's *Cirque Du Celebrité* in 2007.

WHY WE LOVE HER: Most of her TV roles involve her being clad in skimpy outfits. She's a girl who plays to her strengths!

FACT! She's done no fewer than five reality TV series in the UK and Australia. *Naked Big Brother* 2012, anyone? ▶

EMILY ON *I'M A CELEBRITY...*

Gemma Merna

FAMOUS FOR: She plays Carmel Valentine in *Hollyoaks*, and appears in *Nuts* in a variety of cleavage-heavy undergarments!

BEST TV MOMENT: In 2007, Gemma was nominated for Sexiest Female at the British Soap Awards. How did she not win?

WHY WE LOVE HER: Gemma's character in *Hollyoaks* is quite funny in addition to the sexiness. And we do like a funny lady.

FACT! Gemma says that her breast enlargement was one of the best things she ever did. Who are we to doubt her?

GEMMA ON HOLLYOAKS

Sam Faiers

FAMOUS FOR: As one of the prettiest stars of ITV2's *The Only Way Is Essex* (along with younger sis, Billie, of course).

BEST TV MOMENT: When sexy Sam stripped down to her bikini on *TOWIE* and horsed around at a pool party!

WHY WE LOVE HER: Sam's been brightening up our weeknights since the show first exploded onto our telly box!

FACT! Sam once trained alongside the GB gymnastics team. So, you can say she's fit and not get in bother with the missus! ▶

SAM ON TOWIE

Jessica-Jane Clement

FAMOUS FOR: Appearing in the most recent series of *I'm A Celebrity* and entertaining us all in *The Real Hustle*.

BEST TV MOMENT: If you're expecting us to say anything other than long showers in the bush, you don't know us very well!

WHY WE LOVE HER: Would it be cheesy if we said, "Because she's one of the most faultless ladies ever"? No? That then.

FACT! Jess' other half is celebrity hairdresser Lee Stafford, who advises *Nuts* on footballers' dodgy haircuts!

JESS ON I'M A CELEBRITY...

Jorgie Porter

FAMOUS FOR: Playing Theresa McQueen in *Hollyoaks* and being involved in most of its spiciest storylines.

BEST TV MOMENT: We rather enjoyed it when she shot Calvin Valentine. Not sexy but hey, it's one less bloke to worry about!

WHY WE LOVE HER: She's in *Hollyoaks*! She goes on holiday with Gemma Merna! What's not to love? Nothing!

FACT! In addition to murdering someone, Jorgie's character's been targeted by a serial killer. That's karma for you! ▶

JORGIE ON HOLLYOAKS

SEXY TV STARS!

Morgan Lees

FAMOUS FOR: Being one of Gavin Henson's would-be suitors on Channel 5 reality TV show *The Bachelor*.

BEST TV MOMENT: We took a keen interest (for our research) in Morgan's photo shoot task on *The Bachelor*.

WHY WE LOVE HER: The fact that she's eternally single seems to suggest that there's some hope for us yet!

FACT! Morgan was a backing dancer on *The X Factor* last year. Wagner's absurd routines must have stopped us noticing!

MORGAN ON THE BACHELOR

WORDS: SI-CUNNINGHAM, PETE CASHMORE. PHOTOS: CELEBRITYPICTURES.CO.UK, FRANK WHITE, CAMERA PRESS, PLANETPHOTOS.CO.UK, ITNI PRESS, REX FEATURES, BILLIE WEARS, PINK & BLACK, SET-YES MASTER. THE LINGERIE COLLECTIVE. PINK VEST: M/LOUNGE. THE LINGERIE COLLECTIVE. KNICKERS: HARMONY, GREEN VEST: WWW.NEWLOOK.COM, SHOES: WWW.NEWLOOK.COM

Jessica Wright

FAMOUS FOR: Being one of the delightful star turns in *The Only Way Is Essex* (and substantially hotter than Arg, too!).

BEST TV MOMENT: She snogged Joey in the closer of the last series of *TOWIE*, but we wouldn't say we enjoyed it.

WHY WE LOVE HER: She's figured out that when you're as hot as she is, being single's the way forward. Hurrah!

FACT! Jessica's the face and figure of Alexis Smith underwear. They're hardly old-lady pants!

"Any chance of a splash of lemonade in this bitter?"

"Like my new place?

Modern Family

SKY 1/HD • 8PM

The top Yank sitcom delivers its festive dose of hilarity. The dysfunctional clan realise they're going to be scattered around at Christmas, so if they want to celebrate together, it'll have to be today! As always, Colombian bombshell Gloria (Sofia Vergara) makes for particularly great viewing.

★★★

"It's the only sign we had left. Take it or leave it"

Live At The Apollo

BBC ONE • 9.30PM

Rich Hall (who is extremely funny and can do the musical comedy thing as well as Bill Bailey) is the guest host for an evening of live stand-up. He's joined by Mark Watson, who's pretty damned funny too, and Andrew Maxwell, who's no slouch either!

★★★★

"See? I told you queuing for a bus could be fun"

Pete vs Life

CHANNEL 4/HD • 11.05PM

The last in the series of antics courtesy of journalist Pete and his rubbish attempts to get through life. The two sports pundits poring over his every move are in their element as first Pete tries to win back ex Chloe's affections, then has to contend with a 12-year-old who's better at footy than him. That's a bit like us!

DO NOT WATCH!

LITTLE FOCKERS

SKY MOVIES PREMIERE/HD • 8pm

This third instalment's full of tired jokes. Worth noting is Stiller's wife in this (Teri Polo) did *Playboy*. Yup, everything out. Google is your friend...

Saturday 10 December

Amir Khan vs Lamont Peterson

SKY SPORTS 1/HD • 8.30PM

The culmination of a trilogy of fights tonight (earlier scraps are Ashley Theophane vs Nigel Wright and Wladimir Klitschko vs Jean-Marc Mormeck), as Brit hero Khan defends his light-welterweight titles against American Peterson. Come on, Amir!

★★★★★

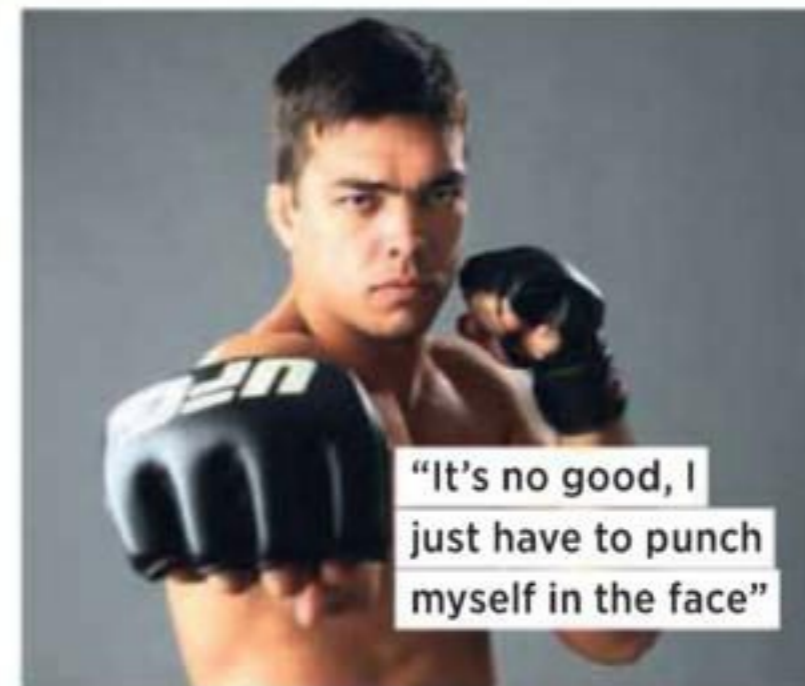

Boardwalk Empire

SKY ATLANTIC/HD • 9PM

With just two episodes left and everyone scoring an enemy, you've got to ask just who'll survive this series? Nucky's undercutting Jimmy's booze prices and Margaret seeks out the church, believing her daughter's illness is godly punishment.

★★★★

UFC 140

Bone-bending from Toronto, where American light-heavyweight champ Jon Jones attempts to hand an early Christmas pressie to Brazilian Lyota Machida (above) in the form of a rearranged face. BETTING SLIP

PUNT OF THE WEEK!

REAL MADRID VS BARCELONA

SKY SPORTS 3/HD • 8.30pm

Barca had the better of Real last season but Mourinho's men have been ace so far this time round, scoring loads at home. A 2-2 draw at 23/2 is tempting.

Sunday 11 December

Stoke vs Spurs

SKY SPORTS 1/HD • 3.30PM

A once-middling Stoke team, who now expect to challenge for the Europa League places, take on a Spurs side who'd once have been happy with the Europa League but now have an outside chance of a run at the Premier League title. Ah, Premier League football, you truly are a wonderful and ever-changing thing!

★★★★★

The X Factor Final Results

ITV1/HD • 7.30PM

It's a two-hour show that could be done with in 15 minutes, but you know how they like to drag it out. The new panel started well until the backlash hit, and most of the acts were rubbish. But someone's got to win and go on to have a rubbish career.

★★★

Black Mirror: 15 Million Merits

CHANNEL 4/HD • 9.30PM

The second of these dark tales written by the awesome Charlie Brooker is set in a twisted, reality TV-like version of the world where people have to earn "merits" to get things they like. It's weird and horrible but very watchable. Not unlike *The X Factor*!

Chelsea vs Man City

SKY SPORTS 1/HD • 7:30pm

As if the yawning points gap between Chelsea and leaders Man City wasn't painful enough for Blues fans, City have beaten the Londoners in three of the last four meetings. Chelsea edged the home fixture last season, but the same outcome today seems unlikely.

★★★★★

"But this get up was all the rage at Milan, darling!"

American Horror Story

FX/HD • 10pm

It's taken longer than it should, but the penny finally drops, and Violet realises she's been snogging a ghost. Yup, Tate's a spook and here we finally see what went down in his school massacre. Other highlights include Vivienne eating bowls of offal. Yum!

★★★★★

Never Mind The Buzzcocks

BBC TWO • 10pm

Angry Welsh funnyman Rhod Gilbert is guest host, so he'll no doubt be funny and, er, angry. Regular team captains Noel Fielding and Phill Jupitus are joined by '70s heart-throb Jimmy Osmond (ask your mum) and someone from The Wanted.

Transformers: Dark Of The Moon

SKY BOX OFFICE • from 6am

Not much on this week, so pay your box-office fee for the latest *Transformers*. It's crammed with special effects, the plot's confusing, and new babe Rosie Huntington-Whitely is a visual, if wooden, treat. We can't help but love this franchise!

This Is England '88

CHANNEL 4 • 10pm

Shane Meadows' downbeat tale of folk in '80s Britain continues with three new episodes. It's now 1988, 18 months after the events that closed the last brilliant series, and Lol and Woody are still struggling to come to terms with everything that went on.

If you had a quid for every time you tried to strip a sonar-equipped obstetrician of his super powers and an invisible bloke wanders in, you'd be a millionaire by now, right? That's what happens tonight. Question is, is Dr Kern (sonar dude) working for the mysterious anti-Alpha team Red Flag, or is he the goodie he claims to be?

Wednesday 14 December

The Hangover Part II

SKY BOX OFFICE • from 6am

The outrageous sequel lives up to the hype. The guys are in Thailand for Stu's wedding. He doesn't want a stag do but, of course, he's talked into it and then the Wolfpack wake up in a squalid hotel room with a severed finger, one of their crew missing...

★★★★★

The Royal Variety Performance 2011

ITV1 • 8:30pm

Tonight's another fairly feeble night on the box, hence this choice. We suggest you avoid the likes of Barry Manilow, Il Divo and the blokes who play with rubbish bins, Stomp, and hang around for Cee Lo Green, Jason Manford and Greg Davies.

★★

Die Hard 4.0

E4 • 9pm

Five stars. Well, it's a *Die Hard* flick, innit? What, you want to know more? OK, Bruce Willis is once again John McClane, and this time he's babysitting a hacker who may be able to save the United States from a rogue government computer expert who's out to bring down the nation's infrastructure. The naughty so-and-so!

★★★★★

ONE WITH THE MISSUS!

PRACTICAL MAGIC

ITV2 • 11pm

It's a supernatural romantic comedy. Which is terrible. But, and this is a big "but", it stars Sandra Bullock and Nicole Kidman looking incredibly hot. Sadly, gents, that's its only saving grace.

Thursday 15 December

2012 PDC World Championship

SKY SPORTS 1 • 7pm

It's the first day of the darting year's closing tournament and this year's contestants should be quaking. Why? Because Phil Taylor failed to make off with the crown last time and if there's one thing "The Power" likes, it's reclaiming lost titles!

★★★★

The Mentalist

CHANNEL 5/HD • 9pm

A cop's murdered, leaving the team to investigate, a task not made easier for Lisbon when her bounty hunter brother, Tommy, and his daughter show up. Families, eh? But, as it turns out, they're not in town for a chinwag, and when Tommy and the CBI's investigations meet, they come up with a new plan to catch the killer.

★★★

Argumental

DAVE/HD • 10pm

Joining host Sean Lock and captains Robert Webb and Seann Walsh for comedy debate are pun-loving joker Tim Vine and *Green Wing* actor Stephen Mangan. Tonight they argue whether people should work until they die. If "work" involves sipping booze and watching footy, that'd get a big "yes" from us! Otherwise, no.

THE HANGOVER PART II

DVD & Blu-ray • 18

If you thought things couldn't get any worse for the Wolf Pack after their last disastrous outing, think again.

Stu's wedding happens in Thailand and highlights include a tiny Asian penis, a chick with a d*ck, a facial tattoo, a lost brother, a decapitated pig and a smoking monkey. You have to see it to believe it. It's totally awesome. ★★★★★

"Are you sure this tour guide knows what he's doing?"

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ **YOU MAY** think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

CONFESSION OF THE WEEK!

'I struggled to keep quiet'

I'VE JUST returned from a girls holiday in Tenerife, where I pulled a gorgeous hunk. We went back to the hotel room I was sharing and onto the balcony. After we'd been kissing for a few minutes, he bent me over the railing and pulled up my skirt. As he caressed me with his fingers, I saw people on the street below us. Knowing they could have seen us gave me such a thrill. Feeling how wet I was, he thrust into me from behind and I couldn't contain my screams of passion. I'll always have fond memories of that holiday!

Alison Bromley

'I cuffed him to the bed'

MY BOYFRIEND had been away hiking in Nepal with a few mates and I was starting to go a bit crazy after three weeks of no sex. When he came back,

I thought I'd treat him to a saucy night in, so as soon as he stepped into the house I led him to the bedroom and handcuffed him to the headboard. When I'd stripped off completely, I let him watch me as I slid my fingers over my wet clit and wiped them all over my erect nipples. When

I knew he couldn't take any more of my teasing, I pulled down his trousers and started stroking his rock-hard erection. He was moaning loudly by the time I guided him inside me and started bouncing up and down on top of him, and I was screaming with pleasure while he desperately tried to pull himself free of the handcuffs so he could get his hands on me. As soon as I'd climaxed, I finished him off in my mouth before collapsing exhausted next to him on the bed. We more than made up for our three weeks apart that night!

Juicy Lucy via email

'We swapped naughty texts'

ONE DAY last week, I was exchanging some particularly dirty texts with my guy and we were both getting really horny. As soon as I told him exactly what I was doing to myself, he decided to come over. He was round at my house within five minutes but instead of letting him in, I made him watch me playing with myself through the lounge window. Once I'd orgasmed, I let him in for his turn and slowly went down on him. I took my time by licking his balls slowly then working my way up. It only took him a few seconds to come and after we'd recovered, we had spine-tingling sex against my dining-room table!

Hazel Scotland

'My wild Friday night'

I'D JUST moved into my first flat, which meant money was a bit tight, so when my girlfriends asked me out and offered to pay for my drinks, I agreed. On Friday, we got dressed up in our sexiest outfits and finished up in the local nightclub. I used my ample feminine charms on the doormen and they let me in for free. One of the guys was really cute. Later on, I bumped into him again and said I wanted to thank him personally for his kindness. I dragged him into the ladies' toilets and, within seconds, I had his flies unzipped and was swallowing all that he could give me. He was shocked at how forward I was – I think he was expecting a kiss on the lips not the crotch! I now get VIP access every time I go.

10 RUDE QUESTIONS!

And a real girl to answer them!

Katie

18 Clacton-on-Sea

1 Where's the strangest place you've had sex?

"That's a hard one, but I'd have to say that being bent over the bath in someone else's house was a pretty strange experience!"

2 What's your trademark naughty move in the bedroom?

"I'm a massive fan of the reverse cowgirl. It feels really exciting – I can totally let loose and properly ride my man!"

3 What really turns you on in bed?

"I love really passionate foreplay. I like having my neck kissed and being pinned down, and I love it when the bloke takes control in the bedroom!"

4 What's your favourite position?

"Because I love it the most when the bloke takes charge, it would have to be the classic missionary position. I like it to be really intimate and I find it really sexy!"

5 Is it better to give or receive?

"I do like to give, but it's definitely better to receive, without a doubt!"

6 What one rude thing would you really like to try but haven't yet?

"I'd love to have sex in a really naughty public place, like on a plane or in the toilet on a train. Somewhere that I'd feel properly naughty doing it. It would be such a thrill!"

7 Have you ever got it on with another girl?

"Yes. I've passionately kissed another girl, for sure. But anything else... that would be telling!"

8 What's your favourite role-playing costume?

"It'd have to be my naughty nurse outfit. I'd like to nurse someone in the bedroom while wearing it, and *really* make them feel better!"

9 Have you ever made a sex tape?

"I've done so many rude things, and I've done some very naughty things indeed that have been videoed on a mobile phone!"

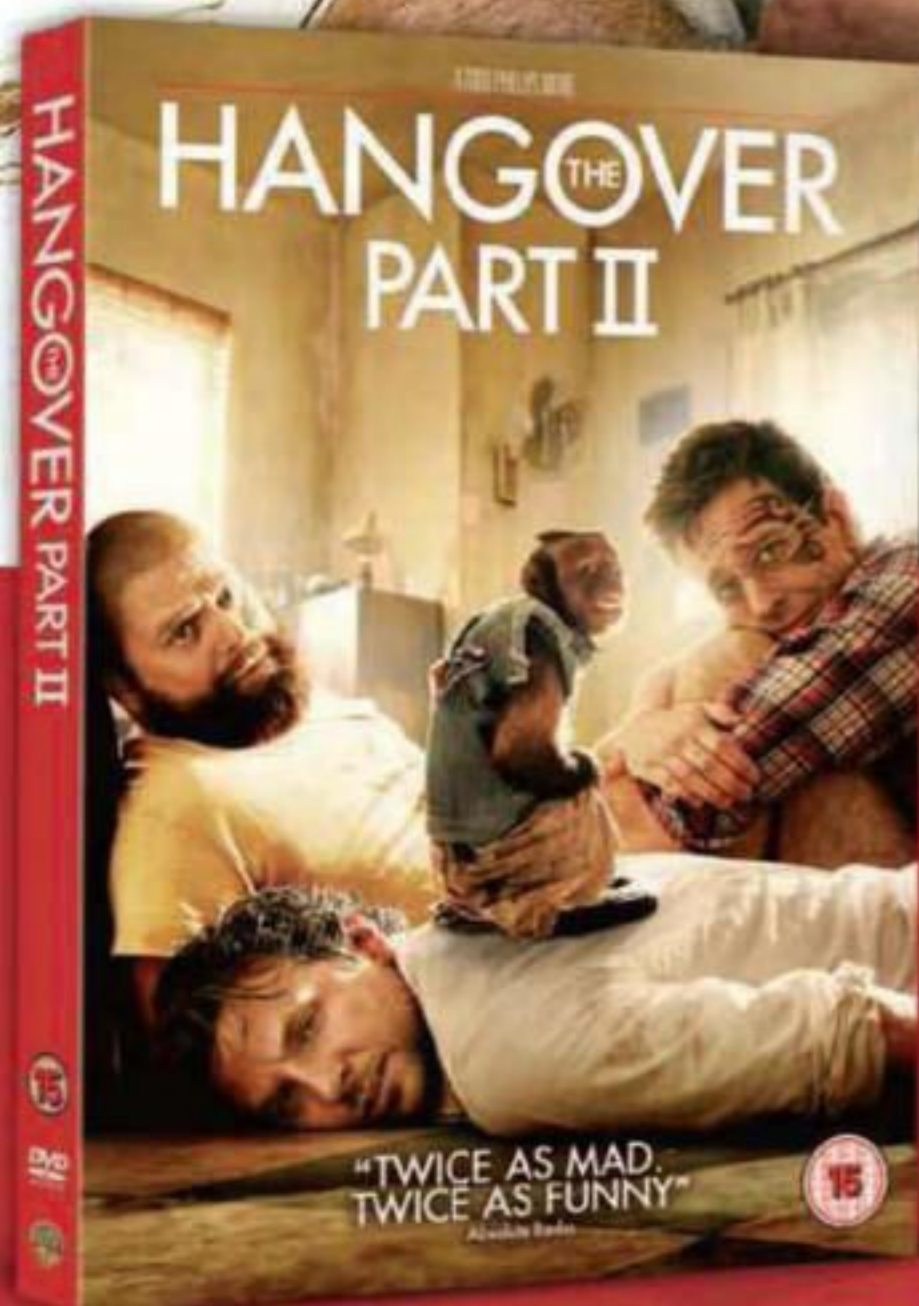

10 What's the rudest Christmas present you've ever received?

"I once got a nice vibrator from one of my friends. That was definitely a present to remember!"

"I'd love to have sex in public, on a plane or train!"

EXCLUSIVE!

Ronaldo: 'We can win La Liga!'

Real's goal machine on Saturday's showdown!

Hi Cristiano! On a scale of one to ten, how fierce is the rivalry between Real Madrid and Barcelona?

It's to the maximum. Ten's OK as an assessment. OK, it's not a war, but for 90 minutes, it'll feel that way!

Will tensions run high?

When you have two teams aware of the history there'll be passion, and there's also the pride of the players. I think it's fair to expect determination and plenty of competition. Will it spill over? Who knows? Anger can be good if directed correctly.

It's being billed as Cristiano Ronaldo vs Lionel Messi.

Messi's one of the best players ever. His skill, his quality, his bravery are there for everyone to see. I've always said he's been lucky to play alongside such talent but this doesn't take away from his genius. What a footballer!

Who's best, you or him?

That's for others to decide. We're similar but different. We share the same attacking philosophy but approach things in different ways. This is natural as we're individuals. I respect him greatly.

How much of Madrid's current success is down to Mourinho?

I've always said Mourinho's a very special coach. For such a young manager, he's incredible. He's intelligent, compassionate and a man with great personal qualities.

Who's best, Sir Alex or Jose?

There's no answer. I'll always love Sir Alex for what he did for me. I was playing for one of the best clubs in the world and it was because one man had faith in me. Mourinho's similar. He's all about ideas and understanding players.

Madrid are top of the table.

Is it a case of grit over flair?

We score so many goals, this isn't a reasonable analysis. This is the best Madrid team I've been in, but everyone talks about Barcelona. If we win the title the discussion will be over. This is a goal I know we can achieve.

Any regrets about leaving the Premier League?

None. Madrid is my future.

So we won't see you in a Man City shirt anytime soon?

Football's crazy but I can't see this happening, especially as I played for United. I'll be at Madrid for many years.

"Forgot to brush my teeth earlier - I'll just have a gargle"

EL CLASICO SPECIAL!

"Hold on, that Jedward tune's just coming back to me"

EXCLUSIVE!

Messi: 'I'll stay at Barcelona for life!'

The Barca wizard on El Clasico, Ronaldo and winning the Ballon d'Or!

Hi Lionel! Can Barca win El Clasico and close the gap to

Madrid at the top of La Liga?

I believe so. There's a feeling in training that this will be a good game for us. These are two highly motivated teams willing to give everything – it'll be an exciting match.

Do the teams hate each other?

Not at all. So many of the players come together for international duty with Spain. There are friends on both sides, but friendships will be put on hold for 90 minutes.

So, no punch-ups?

Things get hot sometimes but I don't see big problems.

How highly do you rate Cristiano Ronaldo?

What he's achieved in Spain and the number of goals he's scored show what a force he is. There are so many aspects to his game – pace, power, skills, heading ability – that he gives every opposition difficulties. I admire him a lot. Madrid have many great players though, not just Ronaldo. We'll be focusing on 11 men, not just one.

Is there competition between the two of you to be named the best player in the world?

I don't think that way and I'm sure he's the same. The motivation isn't for personal awards but to win trophies. Successful teams are about the collective, not individuals. Then, afterwards, if any individual awards do come your way, great.

You must want to win the Ballon d'Or though?

If I do that would be nice, but I have to stay humble. I won't say any more than that.

Would you ever fancy playing in the Premier League?

I respect the Premier League and the English game, but I can't see myself playing there. I want to stay at Barca for the rest of my career.

Not even if someone was to make a bank-busting offer?

Money isn't important. The club has done so much for me. If I retire a Barcelona player, I'll be happy!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Welsh legend

Gary Speed will be sorely missed

THE WORLD
of football lost
a wonderful man

last week. Gary Speed was a magnificent servant to the game and a dear friend of mine for 22 years. We played together at Elland Road and I'll never forget him.

The outpouring of grief that's occurred since his death is testament to the love there is for Gary in the game. He was going places with Wales, creating a formidable team which has a great chance of qualifying for the World Cup in 2014.

If anything positive can come from this awful situation, it's that it may highlight the problems some footballers have, which aren't often in the spotlight. Many players have contacted Tony Adams' Sporting Chance clinic and will hopefully find the help they need. RIP Gary. We'll miss you, mate.

AWESOME AMBROSE!
Darren Ambrose's strike against Man United was simply unbelievable! The Crystal Palace man will remember it forever and has helped his side into the Carling Cup semis!

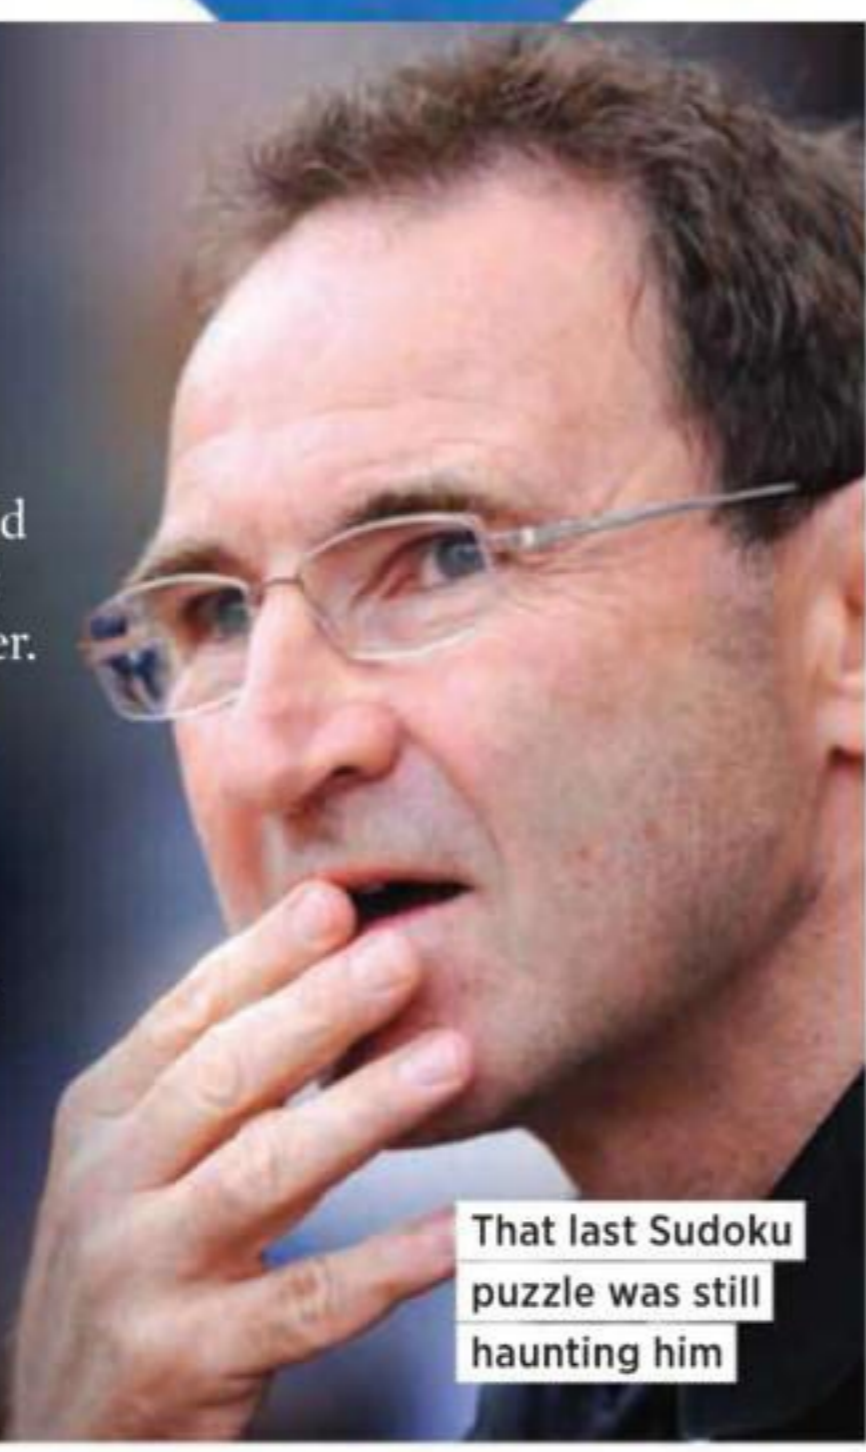

UNBELIEVABLY BAD!

AWFUL AGENTS!
I see agents got £71.8m from Premier League clubs in the last year. I have to say, some of them are not nice people! The money should be going into the game.

O'Neill is right for the Black Cats!

MARTIN O'NEILL should prove a great appointment as new Sunderland manager. He's definitely the best option around and is very highly regarded in the game. The Irishman has been clever and bided his time, waiting for the right team. For Sunderland, the only way is up and I'm sure O'Neill will have been given assurances about player purchases. Welcome back, Martin!

That last Sudoku puzzle was still haunting him

Chelsea vs Man City

MON 12 DEC, 8PM
SKY SPORTS 1

Man City's strength in depth is frightening. Roberto Mancini's men are flying and it's a good time for them to play Chelsea. Andre Villas-Boas is under pressure, trying to evolve an ageing side. I think City will head home with all three points.

KAMMY'S PREDICTION: 1-2

Key man

Joe Hart's form over the past few weeks has been crucial to Man City's success. He'll have to make some top saves for City to leave with a win.

One to watch: Wilfried Zaha

CRYSTAL PALACE were absolutely brilliant against Man United in the Carling Cup quarter-final last week and Palace's Wilfried Zaha stood out for me. He looked fantastic – fearless, with bags of pace and full of trickery. Definitely one to keep an eye on!

DeGale: 'I'll be world champ within a year!'

The European champion on his next fight, Mark Wright and Joey Barton!

➔ **Hi James! How's training going ahead of your fight against Jose Guerrero?**

Training's been fantastic! It's been pretty quick since my last fight. I won the European title in October, I had a couple of weeks off and got straight back in the gym. I've gone straight back into sparring and doing the harder stuff because I'm still in shape. Being busy is exactly what I want, so it's all good.

What do you know about your opponent?

He's the former Spanish champ but, to be honest, I don't think he'll be as hard as the guy in my last fight. He's had 31 fights, won 29 and knocked out 11 of them, so he'll be a decent test.

Was your last fight, against Piotr Wilczewski, tougher than you thought it would be?

He was tough and fit and he'd studied me. He burst my ear drum in the fourth round, which is why it might have looked like I was struggling in the middle rounds. When the ringing in my ear cleared up, I was able to open up a bit more and take control.

Out of the ring, we hear you're big pals with Mark Wright from *The Only Way Is Essex*...

Yeah, we're mates. I've been training in Essex for about

three years now and I know him from out and about and we've become good friends. He comes to my fights.

Didn't your girlfriend take part in one of his boxing events?

Yeah, she did, but it wasn't on the programme. I won't let her go on it! She fought Carl Froch's girlfriend and did really well because she was only in the gym for a few weeks. She lost the fight, but I was proud of her.

***I'm A Celebrity...* has just finished. If you had to eat a camel's toe, a pig's anus or a load of maggots, which would you go for?**

Probably a load of maggots! All this eating arse and balls – I don't think I could do it! Give me any of the other trials and I'd be alright. It's just the eating ones that put me off!

Is there anyone you wouldn't go into the jungle with?

There are a few people, but I don't want to say any names! I'll tell you what was making me laugh recently, though – Joey Barton slagging off all the people from Essex on Twitter. That guy doesn't give a f**k!

Cheers, James! Finally, what are your hopes for 2012?

Hopefully, by the end of the year, I'll get that world title. That's been my target since I turned pro and it's still on track.
